

BCAC Exhibition Request

The Bemidji Community Art Center sponsors up to three exhibits per month during the months of February through December in their three galleries. The BCAC is open to the public from 12 to 5pm Tuesday – Friday, Thursday's 12 to 7pm and Saturday's 12-4pm. We display a wide variety of works ranging from children to adults, and featuring individuals, groups, regional and national exhibitions. Because we are a community art center, we sponsor a diverse range of exhibitions, juried and non-juried, designed to appeal to a wide audience.

Artists requesting an exhibit with the BCAC are required to submit:

- 10 to 20 images on CD or DVD, with images in .jpg format, image size 200dpi. These will not be returned.
- A list of images with titles, sizes (height and width) media used and date created.
- A one to two page resume with exhibit history
- A one paragraph bio.
- An artist statement
- A one paragraph proposal stating theme, media, number of works, gallery preference and any special installation requirements

All work must be original and not created under the supervision of an instructor.
